**THE STATE OF NEW HAMPSHIRE
TOWN WARRANT**

To the inhabitants of the Town of Gilsum in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Gilsum on Tuesday, the 4th day of March, next at 1:30 of the clock in the afternoon, to act upon the following subjects:

To choose all necessary Town Officers of the year ensuing.

Polls will be open until six thirty of the clock in the evening.

The business meeting will be called to order at eight of the clock in the evening, to act upon the following subjects:

1. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budget appropriations in the amount indicated; and, further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced, or take any other action hereon;

APPROPRIATION	ESTIMATED AMOUNT
Sanitary Landfill	\$ 2,000.00
Police Department	\$ 1,400.00
Fire Department	\$ 1,000.00
Town Maintenance - Highway	\$ 4,000.00
Street Lighting	\$ 2,000.00
Library, Operating Appropriation	<u>\$ 1,500.00</u>
Total 1974-75	\$11,900.00

2. To see if the Town will vote to raise and appropriate the sum of \$2500.00 to purchase a new sand spreader (total amount \$2500 to come from Highway Subsidy fund). 2/3 written ballot required.
3. To see if the Town will vote to raise and appropriate the sum of \$100.00 to support the services of the Monadnock Region Humane Society.
4. To see if the Town will vote to raise and appropriate the sum of \$137.00 to support the services of the Monadnock Region Association.
5. To see if the Town will vote to raise and appropriate the sum of \$500.00 to the Fire Truck Trust Fund.
6. To receive the report of the Budget Committee and act in any matter relating thereto.
7. To raise such sums of money as may be necessary to defray town charges and make appropriations of the same.
8. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
9. To see if the Town will vote to appoint a Committee to take charge of the observance of Memorial Day.

10. To see if the Town will vote to authorize the Selectmen to issue permits without charge for supervised activities held on Town Grounds, said permits to include camping and the erection of temporary facilities.

11. To see if the Town will authorize the Selectmen to sell any land and all pieces of real estate, either by auction or private sale, acquired by tax deed, said property to be advertised three weeks prior of sale.

12. To see if the Town will vote to permit the Flying Hooves 4-H Pony Club to install and maintain a horse exercise/show ring in the west end of the Town Field. This ring, 100' x 200', would be constructed so as to be easily removed to allow parking of vehicles for Rock Swap or other events to be held in this area, and at no expense to the Town.

13. Whereas, certain areas of Gilsum are subject to periodic flooding from the Ashuelot River, causing serious damages to properties within these areas; and

Whereas, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

Whereas, it is the intent of this Town Meeting to require the recognition and evaluation of flood and/or mudslide hazards in all official actions relating to land use in the flood plain areas having special flood (and/or mudslide) hazards; and

Whereas, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to N.H. RSA Chapter 31, 36, 156, 156A,

NOW, THEREFORE, BE IT RESOLVED, that this Town Meeting hereby:

1. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests (the Planning Board or Town Manager or other duly authorized Municipal Officer) with the responsibility, authority, and means to:

(a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

(c) Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map, and identify flood plain or mudslide areas, and cooperate with neighboring communities with respect to management of adjoining flood plain in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain management measures.

3. Appoints the Building Inspector to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Intends to take such other official action within its powers as may be reasonably necessary to carry out the objectives of the program.

14. Whereas, Gilsum has adopted and is enforcing Zoning Ordinance, and

Whereas, Article V, Section D of the aforesaid prohibits any person, firm or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving, or demolishing any building or structure without first obtaining a separate building permit for each building or structure from the Building Inspector, and

Whereas, the Building Inspector must examine all plans and specifications for the proposed construction when application is made to him for a building permit.

NOW, THEREFORE, BE IT ENACTED by the Town Meeting of Gilsum, as follows:

1. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to assure that (i) all proposals are consistent with the need to minimize flood damage, (ii) all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated, and constructed to minimize or eliminate flood damage, and (iii) adequate drainage is provided so as to reduce exposure to flood hazards; and

2. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to require new or replacement water supply systems and/or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding, pursuant to N.H. RSA 36:21.

15. To see if the Town will accept \$100.00 for the Temple Baker Cemetary Trust Fund.

The following Article will be voted on during the voting hours 1:30 to 6:30 P.M. by special ballot:

A-1 Question: Shall the game of Bingo or Beano be allowed in the Town of Gilsum.

16. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this eleventh day of February, in the year of our Lord nineteen hundred and seventy five.

OFFICE OF SELECTMEN

Gilsum, New Hampshire

03448

To the people of Gilsum,

We felt it important to include in this year's Town Report an explanation of the year's developments.

First of all, the lawn in front of the library was loamed, but because of the tardiness of the delivery, we were unable to have it seeded. As soon as the weather will allow, it will be completed.

A few words about the rising costs of our taxes. As most of you know, the town was re-appraised in 1970-71, and the net worth of Gilsum rose from approximately \$2 million to over \$4 million, as a result of the re-appraisal. The money that the town receives from the State Foundation Aid program is based on the net worth of the town. In 1973 the town received in the vicinity of \$32,000 to help defray the cost of sending our children to school. With the new figure of \$4 million plus, the state formula reduced our Foundation payment by 50%, and this loss cost the town over 16 thousand dollars. This loss coupled with the fact that the State of New Hampshire enacted a new open space program, whereby certain large land owners could apply for an abatement on their taxes by filling out certain forms stating that the land would always be used for the particular criteria that had been stated on the application. For instance, if a person was being assessed at \$100 per acre for woodland, and he owned more than 10 acres, he could apply for, and if granted, his valuation could drop to \$25 per acre. What this results in is an added cost to the average home owner, because the town still has to raise enough revenue to meet its obligations.

Our school formula is based on 1/2 equalized valuation, 1/2 average daily attendance. What this translates to is 1/2 of \$4 million and 1/2 171.5 students. With all portions figured, this figure for the year of 1973-74 was \$81,829. This year, because of the reasons stated earlier, our bill for the year 1974-75 is over \$112,000.

This amount really staggered the board, and if the formula change that was voted by the school board should pass, then the added cost to the town of Gilsum would probably be the worst financial blow we have experienced since joining the Monadnock School District.

If the change does appear on the warrant, then the townsfolk would then have to travel to Swanze and make their feelings known. If the "new" formula is passed, the town of Gilsum, plus three of the other towns would once again be on the short end of the stick.

For everyone interested, the board succeeded in getting the tax maps completed, and they are available for the public to inspect at the selectmen's office. We also have a few copies for sale.

After a great deal of research, we as a board have come to the conclusion that the proposed tennis courts are economically impossible, at this time, to construct.

One of the bids, for paving only, from Hick's Paving was \$6,000. Another bid, for the complete job, was as high as \$15,000. This bid was estimated by Drugg Construction, without an actual on site inspection, and could have possibly risen even higher if any problems were encountered.

With the cost of materials increasing every day, the price tag will be at least 15 to 20% higher this year.

We will be anxious to hear any and all suggestions as to the next step to take in this matter.

ROBERT D. COPPO

LIBRARIAN'S REPORT

Our circulation for 1974 was: 3,698 books, 415 magazines, 99 recordings, and 56 audio-visual items, for a total of 4,268. The Bookmobile made three visits to the Library during the year, and we borrowed from it a total of 3,175 volumes. The Keene Library loaned us 284 books, and 175 audio-visual materials. Many special requests were obtained from the State Library.

The new Library is a joy! The additional shelf space has not only enabled us to take a larger selection of books from the Bookmobile, but it has also allowed us to place many previously stored books on our active shelves. Thanks to the Library Trustees, who have made efforts to meet for a work session once a week, a great deal of the cataloging has been accomplished. We are hoping to have this brought completely up to date in the not-too-distant future.

The Gilsum Elementary School children have been visiting the Library almost every two weeks during the school year. Mrs. Houle has allowed them to each borrow two books per visit. This has encouraged some of the children to apply for their own library cards. We now have 60 Juvenile and 121 Adult/Young Adult borrowers.

Two film programs were provided by the Library for the Gilsum School children. One was held at the Library in June, and a Christmas program was shown at the school in December.

Many thanks go to four mothers who took time out of their busy holiday schedules to help us. They not only brought the Town Christmas tree to the Library, but they set it up and decorated it--much to our delight!

A portion of the Sumner Hall Memorial Fund has been used to purchase a Stereo record player for the use of Library patrons. It is equipped with earphones so that anyone wishing to listen to records may do so without disturbing others. We expect to use the remainder of the fund to add to our audio-visual equipment sometime in the future. This seems fitting, in that much of Sumner's career was in the Audio field.

We've received from an anonymous donor, a beautiful revolving dictionary stand; and from Mrs. Towns, with the approval of the Grange, the lovely antique wall clock which was formerly in the Town Hall.

The Library has been used for meetings by some community organizations and Town committees during the year, and although the downstairs area is not yet finished, the Boy Scouts have been holding their regular meetings there. We hope that this year it can be sealed and painted, so that more groups can take advantage of this larger space.

Any community organization is welcome to use the Library for meetings. The only requirement is, please check with the Librarian or with the Chairman of the Trustees to make sure it is available on the date needed.

You will be pleased to know that the Gilsum Library has a last met all the qualifications for member libraries in the Statewide Library System. Until now, we had not been able to meet the hours open stipulation. Our hours totalled ten per week, while the requirement for towns in our population bracket is for at least 12 to 14.

We have been fortunate in securing the services of Mrs. Trudi Oesch, who has been serving as Assistant Librarian since the beginning of 1975. Mrs. Oesch has been training since October, and is willing to serve the extra two hours needed for the State requirement. This means that the Library is now open on Mondays and Wednesdays from 1:30 to 4:30 p.m. The rest of the hours remain as before.

This spring, Keene State College is offering a course in Library Administration, and both the Librarian and Assistant have signed up. Tuition is paid by the State Library, and all librarians in the South West district of the State are eligible. Along with the Bookmobile Service, this is another benefit of belonging to the Statewide Library System.

Of course this report would not be complete without the warmest thanks to all those who donated books to the Library this past year.

Come on in, and take advantage of our many Library services--including jig-saw puzzles!

Marion Hall
Librarian

LIBRARY TRUSTEES REPORT

The Gilsum Public Library was officially opened in its new quarters in the new town building on April 21, 1974. Highlights of the opening day ceremonies, on an unusually warm and sunny early spring day, included a storybook parade from the old library to the new of Gilsum school children dressed as their favorite storybook characters. This was followed by a speech by nationally known New Hampshire author, Elizabeth Yates, and formal dedication of the new building as the F. Sumner Hall Memorial Building. Guests included trustees from many area libraries and a large number of Gilsum residents. The trustees thank all of the teachers at the Gilsum School for organizing the parade and the poster contest on the theme of 'What the Library Means to Me'. The winners were awarded autographed copies of Elizabeth Yate's books. All of the posters were displayed in the library on opening day.

The library is now completely furnished, thanks to the funds available from the Shieling Memorial Trust, the Gilsum Library Memorial Fund and the Friends of the Library. The final additions to the library include two new card catalogs purchased last spring, a dictionary stand, chairs for the reading corner, a stereo record player and the beginnings of a record collection. While all of these things might be considered 'extras', the library would not have been complete without them and we thank all whose efforts and donations made it possible for the library to have them.

The trustees are most grateful to have received the portrait of Sylvanus Haywood, author of the Gilsum History, which for many years hung in the Gilsum Congregational Church. Sylvanus is an historic and happy addition to the walls of the library and his watchful gaze upon all who enter gives the new library an important sense of Gilsum's 200 years of history.

The trustees consider the library to be particularly fortunate in obtaining the services of Trudi Oesch as assistant to Marion Hall. Mrs. Oesch will be in charge of the library on Monday and Wednesday afternoons.

Sumner Hall's father has generously offered to donate some trees for the library grounds. These will hopefully be planted next summer and, along with the flowers and plants donated by the Monadnock Regional High School Horticulture Club and the grass which will be sprouting come Spring, the library and the F. Sumner Hall Memorial Building are indeed complete.

All Gilsum residents are asked to make note of the new library hours for 1975: Monday and Wednesday afternoons, 1:30 to 4:30; Tuesday and Thursday evenings, 7:00 to 9:00; and Saturdays, 10 to noon.

THE TOWN OF GILSUM

1971 REAL ESTATE ASSESSMENTS (1975 UPDATE)

The following pages contain the names of the owners of real estate in the town of Gilsum as of April 1, 1974, together with amounts for which each property was assessed for tax purposes as of April 1, 1975.

NOTE: The abbreviations C.U. appearing in parenthesis indicate that the property owner applied for the current use assessment, and is so noted in the Selectmens' records, along with being recorded at the Registry of Deeds as having been granted.
